AEROSOL DEODORANT SPRAYS & DISPENSERS

Arva Easy Solutions Carpet Guard, #9190

A ready to use water-based fluorocarbon surfactant formulated to protect carpeting and upholstery from soils and stains. Carpet Guard is easily applied by spraying on to fabric, dries quickly and provides long lasting protection.

Coverage: Approximately 200 square feet per gallon.

Arva Easy Solutions Rug Shampoo, #6115

A concentrated, high foaming formulation designed for use with rotary shampoo equipment. Rug shampoo contains detergents, surfactants, polar solvents and optical brighteners which quickly unlock stubborn dirt and soil from carpeting and upholstery.

Arva Easy Solutions Steam Cleaner, #9291

A heavy duty concentrated formula that combines low foaming detergents with alkaline builders, to provide the ultimate deep cleaning action when used with steam or hot water extraction equipment. This steam cleaner dissolves and lifts out stubborn soil, grease and grime.

Arva Easy Solutions Fast Dry Traffic Cleaner, #6215

A highly concentrated blend of optical brightness, surfactants and polar solvents which are formulated as a low residue, fast drying carpet surface cleaner. This cleaner effectively removes surface soils from all types of carpeting including 5th generation. An excellent choice for quick clean up of traffic areas which can not be readily shut down for more intensive cleaning.

Arva Easy Solutions Defoam Cleaner, #6310

A highly concentrated water-based silicone emulsion designed for reducing foam in recovery tanks of extractors and automatic scrubbers. Defoam cleaner is extremely versatile and can be used in almost any environment where foam presents a problem. Coverage 200-400 square feet per gallon.

Arva Easy Solutions Stain & Spot Remover, #6341

A ready to use, non-flammable, multi-purpose carpet spotter and pre-spray. This spot remover is effective on both water soluble and oil soluble stains. It will quickly and easily penetrate and lift stains in one application from color-fast carpeting while leaving no sticky residue. Clear Colorless liquid, Lemon Fragrance.

CARPET CARE

Floor Care Sealers

Arva Easy Solutions Sealer, #1120

This long lasting acrylic floor sealer is designed to provide a tough, durable base coat. This seals the pores of floor surfaces to protect against spills, stains, detergents and even strippers. As an added benefit, it levels floor surfaces to enhance overall floor finish performance.

Coverage: 1000-1500 square feet per gallon. Non-Volatile Solids: 16%.

Arva Easy Solutions Concrete Sealer, #1160

A heavy duty V.O.C. compliant, solvent based, urethane system designed to seal and protect concrete floors. This formulation eliminates dusting and makes floors easier to maintain and clean. Provides excellent adhesion, durability and appearance.

Coverage: 400-600 square feet per gallon. Non-Volatile Solids: 52%.

Arva Easy Solutions Water Based Concrete Con Seal, #9276

A water-based, urethane acrylic blend for concrete and stone surface flooring. Con Seal provides a clear coating that helps protect surfaces from water, oil, salt and other chemicals. It's low odor and quick drying properties make Con Seal perfect for busy facilities.

Coverage: 600-800 square feet per gallon. Non-Volatile Solids: 25%.

Arva Easy Solutions Wood Sealer & Finish, #1144

A high solids, V.O.C. compliant, oil modified polyurethane formulated for use on gymnasiums, residential and commercial wood flooring. This provides an unsurpassed, rich, high gloss with uncompromising leveling, adhesion, durability and scuff resistance.

Coverage: 500-600 square feet per gallon. Non-Volatile Solids 32%.

Arva Easy Solutions Quick Dry Sealer, #9508

A one part, self cross-linking, low odor, quick drying, water based urethane sealer for wood gymnasium floors. It provides an exceptionally hard, water clear, protective hi-gloss film.

Coverage: 400-500 square feet per gallon. Non-Volatile Solids: 32%.

Arva Easy Solutions W.B. Wood Sealer & Finisher, #9329

A water based, urethane acrylic seal & finish for residential and commercial wood flooring. This finisher enhances the natural beauty of your wood flooring with it's protective high gloss film. It has a low odor and is very easy to apply.

Coverage: 400-600 square feet per gallon. Non-Volatile Solids: 30%.

Arva Easy Solutions Gym Floor Finish, #9350

A water based, acrylic urethane sealer/finish specifically formulated for synthetic gym and athletic floors. This gym floor finish provides a flexible protective coating with outstanding durability and scuff resistance.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 16%.

Floor Care Finishes

Arva Easy Solutions High Performance Floor Polish, #2530

An ultra high solids sealer/finish formulated with MMP (Mega Molecular Polymer) technology. The large particle size of MMP plugs the pores of the floor surface rather than penetrating, resulting in a higher initial gloss using less product. Two coats of this is equivalent to three conventional finishes. The extreme white color of this finish dries to an unsurpassed, clear, durable shine. This floor polish works well in any maintenance program and on any floor surface. Summer Breeze fragrance.

Coverage: 1500-2000 square feet per gallon. Non Volatile Solids: 30%.

Arva Easy Solutions High Traffic Floor Finish, #20501

A high solids, urethane floor polish formulated for use with ultra hi speed floor maintenance programs. This High Traffic floor finish is extremely responsive to burnishing which results in a durable, deep brilliant wet-look gloss. Ideal for use in heavy traffic areas where frequent UHS burnishing is required; such as hospitals, supermarkets and schools.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 25%.

Arva Easy Solutions Low Maintenance Floor Finish, #1420

A high solids floor polish formulation that requires less maintenance than conventional finishes. This low maintenance floor finish features a wet-look gloss and extended durability. It yields a long lasting and extremely hard yet flexible film. This product is for use on all types of floor surfaces from resilient tile to stone. This works well with any low or high speed maintenance program.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 25%.

Arva Easy Solutions Clear Floor Finish, #2326

A unique polymer system which produces an especially bright, crystal clear finish. This clear floor finish is a high solids formulation that provides a highly reflective wet-look gloss to enhance the appearance of any floor surface. It responds quickly spray buffing, high and ultra high speed maintenance programs.

Coverage: 1500-2000 square feet per gallon. Non Volatile Solids: 23.5%.

Arva Easy Solutions Labor Savor Scrubbable Floor Finish, #22801

A high solids, wet-look gloss finish. Labor Savor Scrubbable Floor Finish combines the "repairability" of waxes with toughness and durability of acrylic polymer to yield a finish easily by spray or burnishing. Non-yellowing & detergent resistant; it's a true labor saver!

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 25%.

Arva Easy Solutions Economy Floor Finish, #2025

An extremely high quality yet economical floor finish. Floor finish provides a durable, high gloss that levels well and exhibits excellent detergent and scuff resistance. It responds easily to conventional spray buffing as well as high speed burnishing.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 25%.

FLOOR CARE SEALERS & FINISHERS

Floor Care Finishes ((continued))

Arva Easy Solutions Floor Finish, #21501

A economical, non-yellowing and detergent resistant floor finish. This floor finish combines the "repairability" of waxes with the toughness and durability of acrylic polymers yielding a finish easily restored by spray buffing or burnishing.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 17%.

Arva Easy Solutions Black Floor Finish, #7855

A water-based acrylic, black pigmented, floor polish. Black floor finish provides a durable, protective, high-gloss film formulated for use on dark floor substrates. This product is very popular with the U.S. Post Office.

Coverage: 1000-1500 square feet per gallon. Non-Volatile Solids: 22%

Arva Easy Solutions Non Yellowing Liquid Floor Wax, #8404

A water-based blend of polyethylene and refined carnauba waxes, formulated to provide a rich lustrous shine. This is non-yellowing, fully buffable, provides excellent slip resistance and is easily repairable.

Coverage: 1500-2000 square feet per gallon. Non-Volatile Solids: 16%.

Winter Rinse Floor Restorer, #4615

A unique highly concentrated product formulated with chelates, rinse aids, penetrating detergents and polar solvents which will remove the residue tracked onto floors from ice melting compounds. Winter Rinse neutralizes and absorbs the salt residue and returns the floor to its normal clean and shiny appearance. Clear Blue Liquid, Floral Fragrance.

Marble Terrazzo and Rubber Care

Arva Easy Solutions Sealer Finish, #9236

A high quality sealer finish designed to enhance the rich, natural color of your hard surface flooring including terrazzo, marble, ceramic, quarry and concrete flooring. Sealer/Finish is formulated for exceptional adhesion, leveling and gloss. Coverage 1500-2000 square feet per gallon

Arva Easy Solutions Marble Cleaner, #1835

A formulation consisting of synthetic and natural detergents designed to clean and condition marble, terrazzo and other hard surface flooring. Amber Color, Pleasant Floral Fragrance.

Arva Easy Solutions High Gloss Finisher, #9398

This formulation is specifically designed for easy restoration of marble, terrazzo and polished limestone floors. This finisher provides an extremely high-gloss, anti-slip surface that is resistant to scuffs and scratches. This product should be used with a heavy weight conventional floor machine and steel wool pads. Opaque liquid, Mild Odor.

Arva Easy Solutions Rubber Surface Cleaner, #8604

A fast acting, highly concentrated, neutral formulation consisting of water-based solvents and detergents designed to remove soil, grease and oily residue from rubber flooring. Opaque Pink Liquid, Mild Alcohol Odor.

Arva Easy Solutions Rubber Surface Finisher, #8717

A formula consisting of detergents, waxes and acrylic polymers which leave a protective silky shining film that is water resistant, non-slippery and can be buffed to a higher sheen. This product cleans and shines rubber flooring in one simple operation. Opaque White Liquid, Floral Fragrance. Coverage 350-500 square feet per gallon.

Paste Waxes

Arva Easy Solutions Anti-Slip Paste Wax, #2130

A solvent based, anti-slip paste wax formulated for use on sealed or unsealed wood flooring. Anti-Slip cleans and polishes in one simple operation; buffing removes scratches while renewing beauty and luster. Available in Orange, White and Dark Brown.

Arva Easy Solutions Liquid Solvent Wax, #1700

This product cleans and polishes wood and terrazzo floors in one simple operation. Liquid Solvent Wax leaves a toughwear-resistant film that repairs easily and buffs to a deep, rich shine.

Arva Easy Solutions Anti-Slip Water Based Paste Wax, #2210

A combination of high quality waxes, solvents, anti-slip-agents and water formulated to yield an extremely effective emulsion paste wax. Anti-Slip cleans and polishes in one step yielding a slip-resistant, brilliant, high shine suitable for a use on almost any floor surface. Orange Color.

Arva Easy Solutions Emulsion Paste Wax, #2230

A white emulsion paste wax that both cleans and polishes in one simple step. Emulsion combines high-quality waxes, solvents, anti-slip agents and water to clean and polish asphalt, rubber and vinyl composition floors.

PASTE WAXES

Scrub Soaps

Arva Easy Solutions Water Based Scrub Soap, #4140

A high quality, concentrated formulation which combines pure pine oil, alkaline detergents and water-based solvents for cleaning and degreasing a multitude of surfaces. 4140 can also be used for light stripping. It remains a long time favorite of building superintendents. Cloudy White Color, Natural Pine Odor.

Arva Easy Solutions Oil Based Scrub Soap, #4130

An all natural vegetable oil based for cleaning and deodorizing floor surfaces. Our Scrub Soap will solubilize dirt, grease and grime, leaving surfaces clean and smelling fresh. Available in Pine #4130, Cherry #4136 and Lemon #4150.

Hand Soaps & Shampoos

Arva Easy Solutions Anti Microbial Blue Pearl, #4950

A high quality, pearlized, anti-microbial hand soap formula which contains PCMX (anti-microbial agent). This lotion produces a gentle non-irritating, rich lather which quickly removes all soils and grime from hands. This product is designed for use in a lotion hand soap dispenser. Blue Pearled Heavy Bodied Liquid, Clean Fragrance.

Arva Easy Solutions Pink Hand Soap, #4390

A gentle, viscous, lotionized hand soap made from the finest pure coconut and vegetable oils with moisturizers. Pink Hand Soap produces a rich creamy lather which leaves hands clean and soft without irritation. This product is designed for use in lotion hand dispensers. Pink Opaque Heavy Bodied Liquid, Honey Almond Fragrance.

Arva Easy Solutions Apple Essence Shampoo, #9300

A pleasantly scented all natural balanced hair and body shampoo. Essence produces a non-irritating rich lather that rinses away completely, leaving hair and skin feeling soft and clean. This product can be used in lotion soap dispensers. Clear Yellow Heavy Bodied Liquid, Green Apple Scent.

Arva Easy Solutions Pure Coconut Oil Hand Soap, #4915

A gentle, high quality liquid hand soap made from the finest pure coconut and vegetable oil moisturizers. This hand soap produces a rich creamy lather which leaves hands clean, soft and without irritation. It is designed to use in standard liquid hand soap dispensers. Clear Amber, Water Thin Liquid, Honey Almond Fragrance.

SCRUB &

HAND SOAPS

Polishes

Arva Easy Solutions Furniture Polish, #9510

A high quality, emulsion type furniture polish formulated from the finest paraffinic oils and moisturizing surfactants and detergents. This furniture polish cleans, polishes and restores all types of furniture to original luster, leaving behind a non-oily protective sheen that is resistant to smudges, fingerprints and further soiling. Creamy White Liquid, Lemon Fragrance.

Arva Easy Solutions Lemon Oil Polish, #9302

A ready to use lemon oil polish formulated to restore wood surfaces to their original natural luster. It cleans, polishes and restores all types of wood furniture leaving behind a protective sheen that is resistant to smudges, fingerprints and further soiling. Amber Liquid, Lemon Fragrance.

Arva Easy Solutions Metal Polish, #3015

A high quality metal and brass polish composed of fine silica, natural oil soaps, isopropyl alcohol and ammonia. Metal polish, in one simple step, cleans and polishes all types of metal surfaces, quickly removing oxidation and tarnish. This product also leaves behind a protective film to prevent further oxidation and tarnish. Medium Viscosity, Off White Creamy Liquid, Slight Ammoniated Odor.

Arva Easy Solutions Stainless Steel Polish, #3025

An oil based aluminum and stainless steel polish formulated with premium grade paraffinic oils, cleaning solvents and metal conditioners. Steel polish cleans, polishes and preserves metal surfaces such as aluminum, stainless steel and chrome. Light Amber Liquid, Slight Mint Odor.

Arva Easy Solutions Floor Shine Polish, #9168

A premium, ready to use water-based silicone emulsion cleaner and polish. Shine polish renews the original finish and restores a "like new" luster to almost any surface. This product contains anti-soil and anti-static agents to repel dirt and dust, keeping surfaces looking their best. This easy to use formulation is non-toxic, odorless and contains no harmful solvents. Milky White Liquid, Odorless.

POLISHES

DUST

Dust Control

Arva Easy Solutions Oil Based Dust Cleaner, #9510

A ready to use oil-based dust mop treatment that attracts and holds dust to dust mops and cloths. This dust cleaner is ideal for all types of flooring as well as wood furniture. This product leaves behind no sticky residue. Medium Viscosity, Amber Light Color.

Arva Easy Solutions Water Based Dust Cleaner, #8931

A ready to use water-based, non-flammable dust mop treatment that attracts and holds dust without leaving an oily residue. This is ideal for all types of flooring as well as furniture. Medium Viscosity, White Liquid.

De-Icers

Arva Easy Solutions Calcium Pellets

This is a highly effective de-icer that melts down to -25 degrees Fahrenheit. It quickly penetrates through frozen surfaces to undercut the ice and generate fast heat to immediately begin melting upon impact. Its long-lasting action and non-powdery residue make these pellets the most efficient on the market. Calcium Chloride Pellets are odorless, colorless and safe on concrete and vegetation.

Liquid Ice Melt, #9095

A ready to use product formulated with calcium chloride, ethylene glycol, surfactants and polar solvents. Liquid Ice Melt is designed to prevent ice accumulations and also to melt ice and snow already on the ground.

Liqui-Thaw, #33405

A non-corrosive, ready to use liquid anti-icer and de-icer formulated with ethylene glycol and other ice melting compounds. For use on sidewalks, steps, driveways, roads, parking lots and airport runways. This product does not harm concrete or asphalt.

DE-ICERS

CONTROL

Citrus Cleaners

Arva Easy Solutions Citrus All Purpose Remover, #9320

A highly concentrated, natural citrus based cleaner, degreaser and deodorizer. It is formulated with pure d-limonene combined with emulsifiers. This product is an excellent alternative to hazardous acid or alkaline drain and grease trap treatments. This Citrus All Purpose Remover is very effective for many cleaning tasks including the removal of mastic, glue, gum, tar and grease.

Arva Easy Solutions Citrus Concentrated Degreaser, #4017

A highly active, concentrated water-based blend of d-limonene, surfactants and polar solvents. This Citrus Degreaser provides a long lasting emulsion which is effective for deep penetration and removal of dirt, grease and grime on a wide variety of surfaces. This formulation is also effective in grease traps.

Arva Easy Solutions Citrus Enzyme, #9623

A unique water based blend of enzymes, d-limonene and surfactants. Citrus enzyme has been formulated to effectively control odor and build up of grease, oils and fats in drain lines, grease traps and septic systems without the use of hazardous solvents, caustics or acids. This product is also ideal for cleaning and deodorizing garbage compactors and dumpsters.

Arva Easy Solutions Orange Blast, #4013

A highly concentrated multi-purpose cleaner, degreaser and deodorizer effective for almost any cleaning task. Orange Blast is a water-based formula that combines the power of butyl with the pleasantly scented, natural cleaning and degreasing properties of d-limonene.

Arva Easy Solutions Lift Station Cleaner, #9809

A 100% natural d-limonene formula designed to dissolve fat, grease and oil, as well as neutralize odors in lift stations. The floating properties of this product act as a cap in the lift station to keep odors in check. Station Cleaner is a degreaser that stays concentrated on top of the water in the station to effectively break up grease accumulations more efficiently.

CITRUS

&

GLASS

CLEANERS

Glass Cleaners

Arva Easy Solutions Ultra Concentrated Glass Cleaner, #9077

An ultra concentrated formulation which dilutes 1 to 40 (3 ounces per gallon of water). This glass cleaner contains no alcohol or ammonia, is fast drying, non-streaking and film free. This product is effective on windows, glass surfaces and mirrors. Clear Blue Liquid, Floral Fragrance.

Arva Easy Solutions Ready To Use Cleaner With Ammonia, #4810

A ready to use formulation which combines alcohol, ammonia and surfactants. Fast drying and non-streaking, making it an excellent choice for windows, glass surfaces and mirrors. Clear Blue Liquid, Slight Ammoniated Alcohol Odor.

Arva Easy Solutions Non-Ammoniated View Glass Cleaner, #9308

A non-ammoniated, alcohol based ready to use formulation. Fast drying and non-streaking, making it an excellent choice for windows, glass surfaces and mirrors. Clear Blue Liquid, Slight Alcohol Odor.

Arva Easy Solutions Plexi Glass Cleaner, #9138

A ready to use, water based silicone emulsion formulated to clean and protect plexiglass, Lucite and other plastic surfaces. It is easy to use, non-streaking and fast drying. Milky White Liquid, Slight Odor.

MULTI SURFACE CLEANERS, INDUSTRIAL SOLVENTS & DRAIN OPENERS

Multi Surface Cleaners

Arva Easy Solutions Foam Action, #7807

A concentrated, extremely effective, non-corrosive, multi-surface cleaner and degreaser. This combines high-foaming detergents, surfactants, chelates and water based solvents to quickly lift and remove greasy soil, dirt and grime from a multitude of surfaces. Bright Green Color, Floral Fragrance.

Arva Easy Solutions Power Cleaner, #4520

Break down the toughest dirt, grease with super, fast penetrating, high butyl content, multi-surface cleaner and degreaser. Pink Color, Butyl Odor.

Arva Easy Solutions Emulsifier, #4426

A highly concentrated, non-butyl, multi-purpose cleaner/degreaser. Formulated to save time and labor with its rapid and complete emulsification of most common surface soils. Opalescent Green Color, Lemon Fragrance.

Arva Easy Solutions Multi-Purpose Cleaner, #4525

Our most popular butyl based cleaner/degreaser. This is an outstanding heavy duty, fast acting all purpose degreaser capable of removing soil, dirt and grease from a multitude of surfaces. Green Color, Butyl Odor.

Arva Easy Solutions Heavy Duty Concentrate, #31605

A heavy duty, multi-purpose, butyl cleaner and degreaser that suspends and dissolves soils for easy cleaning and removal. Highly concentrated, water-based formula. Purple Color, Butyl odor.

Note: this product is corrosive-hazardous.

Arva Easy Solutions Economy Degreaser, #4505

An economical, water based, multi-purpose, alkaline, butyl cleaner and degreaser. It's fast acting concentrate suspends and dissolves soils for easy cleaning and removal. Purple Color, Butyl Odor.

Note: this product is corrosive-hazardous.

Arva Easy Solutions Low Foam Steam Cleaner, #7871

A low foaming, butyl based formula specifically designed for use with automatic scrubbers and steam cleaning equipment. This cleaner quickly penetrates and dissolves dirt, grease, grime and other stubborn soils. Purple Color, Sassafras Odor.

Arva Easy Solutions Slip Resistant, #9214

A unique product that causes a microscopic etch on hard surface flooring, creating a safer more slip resistant surface on floors that are often wet and slippery. This is perfect for food service areas. Green Color, Mild Odor.

Solvents and Degreasers

Arva Easy Solutions Graffiti Remover, #8999

A high viscosity graffiti, urethane, paint and varnish remover formulation containing no harmful Methylene Chloride. Graffiti Remover can be used on metal, concrete, brick, marble, stone, soft woods and plaster. This fast acting formula penetrates and softens multiple coats for easy removal. Heavy Bodied Cloudy Liquid, Solvent Odor.

Arva Easy Solutions Oil, Grease and Tar Remover, #3210

A heavy duty solvent based emulsifiable degreaser formulated with aliphatic hydrocarbons and fast acting emulsifying detergents. It is designed to remove oil, grease and tar from hard surfaces not affected by solvents such as concrete, brick, metal etc. This formula can also be used to clean engines and machinery. It can be diluted with water or kerosene. Clear Amber Liquid, Solvent Odor.

Arva Easy Solutions Water Treatment, #8789

A highly active boiler water treatment formulated with alkaline builders, oxygen scavengers and special polymers. This water treatment effectively adjusts Ph while preventing scale and corrosion. This formulation contains no chromates and is non-flammable. Clear Liquid, Slight Alkaline Odor.

Drain Openers

Arva Easy Solutions Natural Enzyme Treatment, #7010

A Natural Enzyme that will effectively digest grease, oils, fats and other organic wastes which lead to clogs and odor problems in drains, grease traps, septic systems and portable toilets. An all-natural, highly active product formulated with multi-cultured strains of bacterial producing enzymes and biodegradable surfactants. This product will not harm pipes and will help to maintain free flowing drains and septic systems. Cloudy Opaque Liquid, Floral Fragrance.

Arva Easy Solutions Hammer Acid Drain Opener, #9220

A heavy duty, fast acting drain opener formulated with 93% inhibited virgin sulfuric acid. When this drain opener comes in contact with water it creates an exothermic reaction that disintegrates grease, hair, cloth, paper, sludge, fat, soaps, etc. to clear clogged drain lines and septic systems. Clear Red Color.

Note: this product is corrosive-hazardous.

Arva Easy Solutions Liquid Plunger Alkaline Drain Opener, #9224

A industrial strength drain opener formulated with sodium hydroxide and detergents. This drain opener breaks up drain clogging matter such as grease, paper, sludge, fat, soaps etc. to clear clogged drain lines and septic systems. This product is fast acting and non-fuming. Medium Bodied, Pale Yellow Liquid.

Restroom Cleaners

Arva Easy Solutions Foaming Pine Cleaner, #9253

A ready to use, foaming multi-purpose bathroom cleaner formulated with phosphoric acid, foam stable detergents and water based solvents. Foam's powerful penetrating foam clings to vertical surfaces when applied through a conventional trigger spray. It will effectively remove dirt, soap, urine salts, body oils, rust, lime, calcium and iron deposits. Clear Liquid, Pine Fragrance.

Arva Easy Solutions Bio Cleanser, #9252

A unique non-acid, formulation that combines highly effective detergents, penetrating surfactants and mild abrasives with bacterial producing enzymes. Truly an incredible dual purpose product. It cleans, polishes, brightens and removes stains and soils from porcelain and other bathroom surfaces. It's bio-enzymatic action also seeds drain lines to prevent the build up of grease, fats and oils that cause clogs and odors in drain lines. White creamy Liquid, Floral Fragrance.

Arva Easy Solutions High Acid Bowl Cleaner, #30905

A heavy duty acid emulsion bowl and urinal cleaner that contains 23% inhibited hydrochloric acid blended with special penetrating surfactants. This bowl cleaner removes rust, scale and hard water deposits in toilet bowls and urinals. Opaque White Liquid, Acidic Odor. *Note: this product is corrosive-hazardous.*

Arva Easy Solutions Mild Acid Bowl Cleaner, #9210

A powerful 9.5% inhibited hydrochloric acid bowl and urinal cleaner. This bowl cleaner removes rust, scale and scale and hard water deposits in toilet bowls and urinals. Clear Pink Liquid, Mint Odor.

Arva Easy Solutions Cream Cleanser, #9200

A unique non-acid, non-caustic, formula that combines highly effective detergents, penetrating surfactants and mild abrasives. Cream Cleanser cleans, polishes, brightens and removes stains and soils from porcelain and other bathroom surfaces. Light Green Opaque Liquid, Mint/Light Ammoniated Odor.

Arva Easy Solutions Prime Enzyme, #97018

A "natural" solution for cleaning & maintaining drain lines and controlling malodors. Prime enzyme is a bacterial enzyme based formulation that is designed to digest and eliminate organic stains, soils and odors found in bathrooms, kitchens, garbage collection areas, kennels, etc. Cloudy White Liquid, Spring Mint Fragrance.

Arva Easy Solutions Tile & Porcelain Cleaner, #6235

A combination of phosphoric acid detergents and wetting agents designed to remove hard water scale, urinary salts, soap scum and rust deposits from bathroom surfaces. This tile and porcelain cleaner is a concentrated viscous formulation that clings to vertical surfaces, allowing more contact time for product to break down surface soils. Viscous Green Liquid, Mint Fragrance.

Odor Control

Arva Easy Solutions Odor Counteractants

Don't make bad odors, eliminate them with our highly concentrated, extremely effective water soluble products. Our Odor Counteractants control and destroy foul odors associated with vomit, feces, urine, smoke, mildew, garbage, pets, etc. Ideal for use in schools, nursing homes, hotels, public areas, loading docks, bathrooms, compactor rooms or anywhere malodors are a problem.

Available in Green Apple #5131, Lemon Plus #4856, Vanilla #5135, Super Cherry #4842, Spring Mint #4857, Baby Powder #5132, Summer Breeze #9381, Orange #9285, Super Peach #5134, Spring Aire #9270.

Arva Easy Solutions Odor Control Enzyme, #7018

A highly effective "natural" solution to controlling malodors. Odor Control Enzyme is a bacterial enzyme based formulation designed to digest and destroy organic odors found in bathrooms, kitchens, garbage collection areas, kennels, etc. Cloudy White Liquid, Spring Mint Fragrance.

Arva Easy Solutions Odor Eliminator With Ammonia, #5130

This product controls and eliminates odors around compactors, dumpsters and garbage chutes. Odor Eliminator is a concentrated blend of quaternary ammonium compounds, detergents and essential oils. This formulation will not only deodorize but it will also act as an efficient cleaner and degreaser. Pink Color, Floral Fragrance.

Arva Easy Solutions Deodorants

An economical, concentrated, water-based deodorant and light duty cleaner. Our deodorants help to control foul odors on any washable surface not affected by water. Ideal for use in schools, nursing homes, hotels, public areas, loading docks, bathrooms, compactor rooms or anywhere malodors are a problem.

Available in Lemon #4841, Pine #4850, Mint #4840, Cherry #4843, Econo Pine #6950.

KITCHEN & LAUNDRY

Arva Easy Solutions Ultra Hand Dishwashing Detergent, #30905

An ultra concentrated, high sudsing, liquid hand dishwashing detergent formulated with high foaming biodegradable surfactants, wetting agents and grease cutting detergents. Ultra Hand is non-irritating to the skin and works quickly to break up fat, grease and soil from glasses, dishes, utensils, pots and pans. Viscous Green Liquid, Lemon Fragrance.

Arva Easy Solutions Concentrated Dishwashing Detergent, #9630

A concentrated, high sudsing liquid hand dishwashing detergent, formulated with high foaming biodegradable surfactants, wetting agents and grease cutting detergents. This is a non-irritating to the skin and works quickly to break up fat, grease and soil from glasses, dishes, utensils, pots and pans. Viscous Pink Liquid, Apple Blossom Fragrance.

Arva Easy Solutions Concentrated Alkaline Detergent, #9625

A highly concentrated, penetrating alkaline based cleaner and degreaser formulated with potassium hydroxide, alkaline detergent builders and deep penetrating surfactants. This detergent quickly removes burnt on carbon, grease, oil and fat from almost any kitchen surface including floors, pot, pans, spraying or wiping on surfaces to be cleaned. Opalescent Yellow Liquid, Slight Odor.

Note: this product is corrosive-hazardous.

Arva Easy Solutions Oven Cleaner, #9622

A ready to use, highly active, penetrating alkaline based clinging oven and grill cleaner formulated with sodium hydroxide, water-based solvents and deep penetrating surfactants. Oven Cleaner quickly removes burnt on carbon, grease, oil and fats from ovens, grills, hoods, vents, deep fat fryers, griddles, etc. It is easily applied by brushing, spraying or wiping on surfaces to be cleaned. Viscous Cloudy Liquid, Slight Odor.

Arva Easy Solutions Freezer Clean, #8608

A unique ready to use formulation designed to efficiently clean floors, walls and equipment in sub-zero environments. Freezer Clean is USDA authorized, non-toxic, biodegradable and non-flammable. This product breaks up dirt, fat and grease deposits and helps to dissolve and delay ice accumulations. It is excellent for use in meat lockers, freezers and cold storage areas. Clear Colorless Liquid, Slight Alcohol Odor.

Arva Easy Solutions Food Prep Station Cleaner, #8599

A highly concentrated, heavy duty USDA authorized formulation which consists of high foaming surfactants, emulsifiers, alkaline builders and water-based solvents. This cleaner yields a clinging foam that quickly emulsifies and removes animal fat, grease, oil, blood and protein based soils commonly found in food prep areas. Clear Colorless Liquid, Slight Butyl Odor.

Arva Easy Solutions Machine Dish Detergent, #9631

A highly active powerful formulation which contains caustic, low foaming surfactants, emulsifiers, alkaline builders and sequestrants. Machine Dish Detergent quickly emulsifies and removes animal fat, grease, oil, food and protein based soils from pots, pans, dishes, glasses, utensils etc. This product has been designed for use in high or low temperature dishwashing equipment. Clear Colorless Liquid Slight Odor.

Arva Easy Solutions Rinse Aid, #9632

A highly active blend of low foaming surfactants, wetting agents and water-based solvents formulated to prevent spotting and streaking on pots, dishes, glasses, utensil etc. Rinse Aid is to be used in conjunction with our Machine Dish Detergent in washing applications. Clear Blue Liquid, Slight Alcohol Odor.

Arva Easy Solutions De-Scaler, #9650

A heavy duty lime and scale remover formulated with phosphoric acid, wetting agents and water based solvents. De-Scaler is designed for use in dishwashing machines and spray equipment to improve their efficiency by removing water minerals and lime deposits. Clear Colorless Liquid, Slight Butyl Odor.

Arva Easy Solutions Safety Grip, #9214

A unique product that causes a microscopic etch on hard surface flooring, creating a safer, more slip resistant surface on floors that are often wet and slippery. Safety Grip is perfect for food service areas. Green Color, Mild Odor.

Arva Easy Solutions Laundry Detergent, #9277

An ultra concentrated liquid detergent which is a blend of alkaline builders, surfactants, water conditioners, enzymes and optical brighteners. This laundry detergent is formulated to be effective on a wide range of soils in cold, warm or hot water. It will leave fabrics bright, clean and smelling fresh. Blue Viscous Liquid, Pleasant Fresh Scent.

Arva Easy Solutions Fabric Softener, #8893

A super concentrated liquid blend of cationic surfactants and optical brighteners. This fabric softener has been formulated to leave clothes, linens and other fabrics feeling soft, fluffy and static free. It is safe to use on all washable fabrics. Pink Cloudy Liquid, Pleasant Fragrance.

Strippers

Arva Easy Solutions Rinseless Mop Strip, #9156L

The ultimate, non-corrosive, rinseless mop on stripper. Formulated to immediately rip off multiple layers of finish or sealer using cold or warm water. It cuts strip time in half, saving considerable costs. Blue Color, Lemon Odor.

Arva Easy Solutions Mop-A-Way Stripper & Emulsifier, #30005

This is a formulation of water-based solvents, amine compounds and wetting agents which rapidly penetrate and dissolve multiple layers of finish and sealer with or without a floor machine. Blue color, Butyl Odor.

Arva Easy Solutions Low Odor Stripper, #9327

A low-odor, butyl-free formulation that is the perfect product for use in any setting where colors are a primary concern. Designed for fast and easy removal of multiple coats of finish and sealer with or without the use of a floor machine. Yellow color, Vanilla Fragrance.

Arva Easy Solutions Rinse Free Stripper, #9379

A powerful, non-corrosive mop strip that never requires rinsing since no alkaline residue is left on the floor surface. Rinse Free quickly penetrates and emulsifies layers of finish in minutes with or without the use of a floor machine. Red Color, Butyl Odor.

Arva Easy Solutions Mop & Strip, #4635

An economical, fast acting, non-ammoniated stripper and emulsifier. Mop & Strip effectively removes finish & sealer from all types of floor surfaces with or without a floor machine. Purple Color, Butyl Odor.

Arva Easy Solutions Non-Ammoniated Stripper, #8826

A powerful non-ammoniated formulation that combines detergents, alkali salts and butyl to strip even the toughest build-ups. This is effective in both hard or soft water and is designed for use with a floor machine. Opalescent Yellow Color, Butyl Odor.

Arva Easy Solutions Strip Away, #9205

An economical formulation that blends butyl, alkali detergents and wetting agents for fast effective removal of finish and wax from all types of floor surfaces. Strip Away is designed for use with a floor machine. Blue Color, Butyl Odor.

Arva Easy Solutions Neutralizer, #4655

This product is specially formulated to remove residue commonly left behind by alkaline strippers. As a neutralizer and conditioner it will eliminate the need for multiple rinse steps and will improve floor finish adhesion. Blue Color, Floral Fragrance.

Arva Easy Solutions Baseboard Stripper, #9248

A powerful, non-corrosive, clinging product formulated with polar solvents, amines and penetrating surfactants. This product breaks up and removes wax finish build-up on baseboards quickly. Clear Blue Viscous Liquid, Slight Lemon Odor.

Spray Buffs & Restorers

Arva Easy Solutions Restorer & Buffing Compound, #1500

This highly concentrated formula combines optical brighteners, detergents, solvents and waxes to clean, repair, restore and brighten finished floors to a deep wet look gloss. Restorer works well as a spray buffing compound or mop on restorer with high and ultra high speed burnishers. Regular use of this product saves valuable labor by extending the time between stripping and recoating. It can be diluted up to 8 ounces per gallon of water. White Emulsion, Summer Breeze Fragrance.

Arva Easy Solutions Mop-On Restorer, #1510

Mop-On extends the life of floor polish by filling in scratches, removing scuffs and enriching the depth of gloss. The concentrated water-based acrylic emulsion is formulated for use with high and ultra-high speed burnishing equipment. It can be diluted at 1 quart of Mop-On to one gallon of water. White Emulsion, Mild Acrylic Odor.

Arva Easy Solutions Burnishing Cream, #1501

A ready to use product for use in any high speed maintenance program. Formulated with orange terpenes, optical brighteners, our special SRP ingredient (Soil Resisting Polymer) to repair, restore and enhance the shine of finished floors. This cream responds quickly and adds additional slip resistance. One Pint restores approximately 10,000 square feet. Viscous Emulsion, Citrus Odor.

Arva Easy Solutions Acrylic Buffer, #1520

A premium acrylic, white emulsion spray buff for use with conventional floor machines. Acrylic Buffer extends the life of floor finishes by repairing scuffs and scratches, removing black heel marks and restoring gloss. Ready to use White Emulsion, Mild Acrylic Odor.

Arva Easy Solutions Brilliant Shine, #8941

An optically-enhanced, ready to use in any floor maintenance program. This formulated to clean and repair finishes, leaving behind a brilliant anti-slip luster that outlasts other products. Clear Blue Color, Summer Breeze Fragrance.

Arva Easy Solutions Economy Spray Buff, #1530

This spray buff cleans, repairs and restores the gloss of finished floors. An economical, ready-to-use non-acrylic product formulated for use with conventional floor machines. Pink Color, Odorless.
